

1963/64 U.S. Chess Championship

Bobby Fischer's Incredible 11-0 Score

Edited by: Tartajubow
All games annoFritzed

The US Chess Championship was played in New York City from December, 1963 to January, 1964. It was Fischer's 6th such event. In addition to Fischer there were six other grandmasters, including former champions Samuel Reshevsky, Arthur Bisguier, and Larry Evans. There were also three international masters, William Addison, Raymond Weinstein and Donald Byrne. Robert Steinmeyer was making a rare appearance in an over the board event. Steinmeyer had long been a powerhouse in Missouri chess and was one of the top correspondence players in the U.S. Donald Byrne was also making a rare appearance.

Fischer had won all five of the previous championships he had participated in and the expectation was that he would also do well in this event, but no one expected him to so totally dominate the tournament.
